Bob --

John Greaney (Executive Director of AFIO) would like you to participate in a conference he is putting together.

This is taking place on Saturday, 10 October. He would like you to give a 30 minute talk (1030 - noonish) similar to the one you gave to the Harvard professors on academic support requirements for the intelligence community.

Looks like Greaney (see attached) is trying to get the President and/or the Judge to participate in an evening program.

No promises were made -- we just listened.
Reaction??

PS: Regarding the Judge's participation -- they are holding the time because he would be obligated to participate because of possible Presidential participation.

Dear Bill,

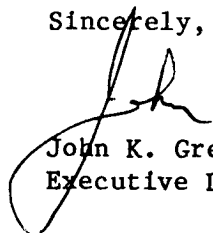

This is a follow-up to my conversation with you at George Lauder's retirement party with regard to scheduling the Director to introduce President Reagan at the AFIO Convention banquet on October 10, 1987.

The AFIO Convention will be held the 9th and 10th of October at the Tysons Corner Sheraton Hotel.

Enclosed is a copy of our correspondence with the White House. We have not received a firm acceptance but are willing to adjust our schedule to meet the availability of the President. It is also our intention to use the occasion as a testimonial by the Intelligence Community to the memory of Bill Casey. We are very pleased that the Director has indicated his willingness to participate.

If you need additional information, please do not hesitate to call me.

Sincerely,

John K. Greaney
Executive Director

Dear Jack,

Congratulations on your appointment as Assistant to the President and Director of Communications. It is nice to have another AFIO Life member make it to The White House. You may wish to comment to the Vice President that you are both Life members of AFIO.

The AFIO National Convention will be held on Friday and Saturday, October 9 and 10, 1987, at the Sheraton Hotel, Tysons Corner, Virginia. We would be very honored if the President and Mrs. Reagan could find time to visit our convention and hopefully, have time to give a few remarks about his work in Intelligence.

Our first choice would be to ask Mr. Reagan to speak at the banquet on Saturday night, 10 October. This banquet has traditionally been attended by the heads of the components of Intelligence Community, both civilian and military. The ballroom at the Sheraton Tyson has a capacity of 1,000 and I am sure the entire Intelligence Community would welcome an encouraging address by the President.

If the President's schedule would not permit Saturday, we would be happy to adjust the convention schedule to meet his availability which could include changing the banquet to Friday night or addressing our group at either the Friday or Saturday luncheon.

I am pleased you are interested in exploring this proposal and, in looking ahead, this may be an appropriate time to give a bit of encouragement to the Intelligence Community. We in AFIO would like to help. I look forward to hearing from you.

Sincerely,

John K. Greaney
Executive Director
